HLUBOKÁ NAD VLTAVOU FOREST DISTRICT

Hluboká nad Vltavou Forest District is situated in the Central Bohemian Uplands (450–550 m above sea level), in the South Bohemian Basin (430–450 m above sea level) and the Ceske Budejovice basin (380–460 m above sea level).

Land area of the Forest District is 68,990 ha. Managed forest land covers a total of 11,400 ha. The area is divided into six forest territories.

The forest stands are composed predominantly of conifers (71 %), followed by broad-leaved tree species (29 %). Within game preserves, broadleaved species constitute approximately 50 % of the trees. The main species are spruce, beech and oak.

The Forest District manages 3 hunting grounds:

- **Poněšice Game Preserve**
– 1,643 ha (Red Deer, Boar, Roe Deer)
- **Stará Obora Game Preserve**
– 1,511 (Fallow Deer, Mouflon, Wild Boar)
- **open hunting ground Vltava**
– 1,000 ha (Roe Deer, Wild Boar)

All these game preserves are part of the NATURA 2000 network as special protection area for birds and protected site.

GENERAL TERMS AND CONDITIONS

1. Each hunting guest is obliged to submit a valid hunting licence, including the statutory insurance valid in the Czech Republic. Hunting licences for foreigners can be issued on condition that the Forest District is provided (even by email) with the following documents: a copy of the passport and a copy of the shooter's valid hunting licence. Hunters will be charged 30,- EUR for a 5 day hunting licence and for a liability insurance covering hunting related activities.
2. Hunting guests without European gun licences are obliged to submit a hunting invitation in order to transport the gun across the Czech border. Upon request, the Forest District will send the invitation to the hunting guest's address.
3. Prices of hunting will be calculated in accordance with valid price list, in trophy animals according to the trophy value. Point evaluation is conducted in accordance with the international CIC standards. The measuring is done right after preparation, and its result is used solely for the purposes of our pricelists.
4. The charge for trophies is negotiable in exceptional cases (sanitary hunting, rarities – trophies undetermined in CIC standard, worse quality of trophies, abnormalities etc.).
5. Preparation charge involves boiling and simple blanching of the trophy.
6. If hunters hunt or wound a wild game animal that has not been chosen by their hunting guide, they will be charged a 100 % addition to the price.
7. Any legal case will be settled at the Regional Court in České Budějovice, Czech Republic.
8. Cancellation fee. The booked hunts can be cancelled as follows: individual hunts 7 days in advance at the latest, group hunts 40 days in advance at the latest before the agreed date. Should a hunt be cancelled in time, the hunt fees shall be pardoned.
9. The final account of expenses will be calculated and paid in accordance with hunting protocol. Each hunting guest is obliged to pay expenses before departure.
10. Upon a hunt booking, the relevant Forest District may require a monetary deposit of up to 30 % of the anticipated hunt cost.
11. The prices are listed in EUR at exchange rates of CNB (Czech National Bank) valid on the day of settling accounts.
12. Upon request, the Forest District can provide full board and preparation of trophies in skin.
13. All the listed prices include VAT.
